Paper under disposal

I submit for information Residency Endorsement No.3167 dated 26th May 1910, forwarding copy of the Government of India Resolution dated 31st March 1910, regarding the taking of the next decennial Census on the night of Friday the 10th March 1911.

2. Mr. V.R. Thyagaraja Iyer M.A., has been appointed Census Superintendent for Mysore with an Assistant in Mr. Mrutyanjaya Iyer and a suitable establishment.

3. Instructions from the Imperial Census like the one now received will be communicated to the Census Superintendent from time to time as received. And he will take action. Work will be on the same lines as in British India.

4. The Census Superintendent has been told that the Census schedule for Mysore should be the same as in British India without the special statistics called for and worked out at the last two Censuses in Mysore. These special statistics are not necessary at every decennial Census, and to dispense with them on the present occasion will tend to economy in time and cost.
